RON PAUL FOR PRESIDENT

CHAMPION OF THE CONSTITUTION

WHO IS RON PAUL?

"Ron Paul personifies the Founding Fathers' ideal of the citizen-statesman. He makes it clear that his principles will never be compromised—and they never are."

CONGRESSMAN RON PAUL (TX) is the leading advocate for freedom in our nation's capital. As a member of the United States House

of Representatives, Dr. Paul works tirelessly for limited constitutional government, lower taxes, free markets and a return to sound monetary policy. He is known among his Congressional colleagues and his constituents for his consistent voting record. Dr. Paul never votes for legislation unless the proposed measure is expressly authorized by the Constitution. In the words of former Treasury Secretary William Simon, Dr. Paul is the "one exception to the Gang of 535" on Capitol Hill.

Congressman Paul serves on the House Banking Committee where he is a strong advocate for sound monetary policy and an outspoken critic of the Federal Reserve's inflationary measures. Dr. Paul consistently votes to lower or abolish federal taxes, spending and regulation and he uses his House seat to actively promote the return of government to its proper constitutional levels. He is an unwavering advocate for individual rights and liberties.

Ron Paul is a former Air Force surgeon and National Guardsman who has delivered over 4,000 babies as an OB/GYN.

His six-point immigration reform plan deals with the root cause of our nation's problem with illegal immigration and will solve it.

"A nation without borders is no nation at all."
NO: Amnesty, birthright citizenship, welfare benefits.

He is opposed to any organization or trade deal that infringes on the freedom and independence of the United States of America.

Bring back the Constitution and the rule of law.

"There are few people in public life who, through thick and thin, rain or shine, stick to their principles. Ron Paul is one of those few."
