Re: Check # 8358

Dear Sean,

While checking our records we came across your check # 4764 dated 04/08/08 for \$25 which we accepted in error.

Per FEC regulations, the committee cannot knowingly accept any contribution made by one person on another's behalf. On the advice of Paula Edwards, our FEC Consultant, we are refunding your \$25. In addition, the acceptance of the check was a violation of Article 5, Section 3 of our bylaws.

We apologize for any inconvenience,

Robert S. Kraus  
Director of Operations  
Acting Executive Director
